

EUROPEAN STROKE  
ORGANISATION

# Committee Report 2025

## ESO Membership Committee

# Report of the ESO Committees - Summary

## Membership Committee

- **Nicolas Martinez-Majander, Finland (Chair)**
- Aleksandra Pikula, Canada
- Antonio De Mase, Italy
- Arvind Sharma, India
- Eleni Bakola, Greece
- Marco Pasi, France
- Nikolaos Syrmos, Greece
- Rolf Ankerlund Blauenfeldt, Denmark
- Stefan Greisenegger, Austria

# Report of the ESO Membership Committee

## Goal:

- To increase membership numbers. Membership growth is largely achieved by registering new members through conference attendance and acquiring more organisational members (associate members).
- A secondary goal is to convert associate into full ESO membership.

## Meetings in 2025:

- 12<sup>th</sup> Feb
- 22<sup>nd</sup> May
- 1<sup>st</sup> October
- 17<sup>th</sup> December

# Report of the ESO Membership Committee

## New Membership Category for Nurses and Allied Health Professionals

A proposal to introduce a membership fee of €40 starting in 2026 was created and approved.

Background: Nurses play a crucial role in stroke care across all phases—acute treatment, rehabilitation, prevention, and education. Despite their importance, they have limited representation within ESO. Recent trends show strong interest from stroke nurses in professional engagement and research.

Rationale: Including nurses as ESO members will:

- Strengthen interdisciplinary collaboration
- Encourage participation in ESO committees, research, and education Increase ESO's impact on stroke care
- Reflect the multidisciplinary nature of stroke management

Proposal: Create a dedicated “ESO Nursing and Allied Health Professional Membership” category with an annual fee of €40 starting in 2026. This will enable nurses to:

- Access ESO educational resources
- Join ESO-led research and quality initiatives
- Contribute to committees and conferences
- Foster professional development

# Report of the ESO Membership Committee

**November 2025: 4,433 ESO Members**

**December 2024: 3,942 ESO Members**
