

APPLICATION FOR ENDORSEMENT OF ACADEMIC, MULTI-NATIONAL STROKE RESEARCH CO-ORDINATED BY MEMBERS OF THE ESO

Name of project/initiative seeking endorsement	
Project description (goals, methods, objectives, expected outcome etc., max. 250 words)	
Please verify that the project is academic (non-commercial), multi-national, and coordinated by members of the ESO	
Name and address of institution seeking endorsement	
Name, address and e-mail of project coordinator	
Why does the project/initiative need endorsement by the ESO?	
Does the project/initiative already receive any other funding (in particular, funding from commercial parties)?	

Please add a detailed project description (pdf document) to your application.

Policy Statement

The European Stroke Organisation (ESO) can, upon recommendation by its Clinical Trial Network Committee, endorse grant requests that are primarily publicly funded, involve ESO-members from institutions from several European countries, and correspond to the usual scientific quality of high volume scientific projects.

Please send the filled in form and supplementary documents to the ESO Head Office, esoinfo@eso-stroke.org.
